

Double Baby Rattle

\$19.00

Item URL: http://www.inscapesgallery.com/funitems118_1.php

Artist: Don Warner. Baby's "First educational toy." These exotic hardwood baby rattles are handmade in the Pacific Northwest. Each rattle varies in patterns and woods. The finish on the wood is all natural and baby safe. It is finished with an FDA approved Behlen salad bowl finish. A great gift idea to celebrate a newborn baby. Also available in a single rattle design.
