

Carbon Steel Fillet Knife

\$60.00

Item URL: http://www.inscapesgallery.com/kitchen277_1.php

Artist: Michael Hemmer

This knife is both beautiful to display and multi-useful in the kitchen. The high-carbon steel blade comes in either natural forged black or shiny polished finish. Available in various hardwood handles no two blades are exactly the same, truly a work of art. 10 3/4" overall 6" blade
